<b>ETON PANDAN MESS</b>		pandan meringe, cream, fruit coulis and roasted pistachios	<b>7</b>

The 'HOUT kitchen' is inspired by the most beautiful trips to all corners of the world, but we LOVE Asia. There is no distinction between starters and main courses. The dishes leave our kitchen when they are ready. Dishes are for sharing. We recommend ordering 2 dishes per person. All food is fresh and HOUT-made.

\*Thursday to Sunday based on availability
